

Friday 5th May 2017

Dear Parents and Carers,

African drumming workshop

Tuesday was a very loud day in school as some classes enjoyed an African Drumming Workshop. It required great listening skills and the children had to follow lots of different rhythm patterns. The whole class managed to keep in time and produce some fantastic music. The pulsing sounds of 25 djembe drums and 7 percussions instruments filled the school hall! Lexi from Rabbits class said, "I really enjoyed it. The hardest part was when two groups had to play different patterns as it was hard to concentrate on what I was playing".

Root and Branch

Root and Branch is a group of children that meet regularly during the year to work on different projects throughout the seasons. They have created pictures from natural materials, prepared an allotment, planted seeds and so many exciting things involving nature crafts and learning about the environment. This week they made yummy pizzas with sorrel – thank you Root and Branch for my pizza, it tasted fabulous!

Bringing items from home

Please can I remind you that children should not bring in items such as football cards, toys or fidget spinners from home. There have been a number of incidences concerning items brought into school from home and it is safest for your child belongings to stay at home. School cannot take responsibility for items brought into school from home.

Tuck Shop

Tuck shop opened for the first time this week and was enjoyed by lots of children. The most popular snack was rice cakes and we will have to purchase some more for next week! Next week we will be charging 20p for all items to make it easier for children to manage their money.

Best wishes,

Mrs Exton

Term 5 and Term 6 - Diary Dates

Monday 8 th May	Year 6 SATs week
Tuesday 9 th May	Hearing Tests – Squirrels and Badgers
Thursday 18 th May	10.30 Open the Book – Moses Parents you are invited to join us for this special Open the Book performance as part of Mission Week.
