

Friday 19th May 2017

Dear Parents and Carers,

Wellbeing Week

Next week we are having a Wellbeing Week at school. We are planning lots of activities to explore what the word means and how we can look after our own wellbeing. We are going to think about the 5 ways to Wellbeing: connecting, being active, taking notice, learning and giving.

Breakfast with Friends

One of the activities we are running is "Breakfast with Friends". Come and join us with your children from 8.15—8.50 in the school hall where a free breakfast will be provided. Take the chance to have some scrummy food whilst having a chat with other parents and children. Please note that all children remain the responsibility of the adult they come with and unfortunately children cannot come on their own. We look forward to seeing you one morning next week!

Kidzania

Woodpeckers and Owls had a fabulous school trip yesterday. It started very early in the morning so they could travel to London to spend the day at Kidzania, an indoor city, run by kids! The children could choose from more than 60 real-life entertaining activities ranging from Doctor, Dentist, and Police Officer to

Firefighter, Actor and Singer. The children really enjoyed their time exploring different activities and were a real credit to the school throughout the day.

Outdoor Classroom Day

On Thursday, the sun was shining as the school took part in Outdoor Classroom Day, which is a special day celebrating and inspiring outdoor learning and play. Each class took their learning outside for at least one of their lessons: Squirrels Class played lots of fun phonics games in the meadow, Hedgehogs Class took their English lesson outside and went on a treasure hunt, Badgers Class used their outside area for some quiet reading; Foxes Class were writing out their Maths calculations in chalk on the playground and Rabbits Class were searching and measuring angles in the school grounds. The children thoroughly enjoyed their outdoor lessons and requested more in the future!

Moses

Thank you very much to the Open the Book Team who visited school as part of Mission Week. The children gave a very enthusiastic performance of Moses, especially when the Red Sea parted! It was lovely to see some parents join us too.

Parent Questionnaire

Thank you to everyone who has returned the Parent Questionnaire. Please return any forms to the office as this is your chance to share your thoughts and ideas about our school.

See you all for breakfast next week!

Best wishes,

J. Exton
Headteacher

£522.65 raised so far.

Have you registered yet?

Term 5 and Term 6 - Diary Dates

Friday 26 th May	Last day of term 5
Monday 5 th June	First day of term 6
