Headteacher: Mrs J Exton

Friday 31st August 2018

Dear Parents,

I hope you all enjoyed a peaceful and relaxing summer break. The children have all returned to school looking very smart and have spent the past two days getting to know their new teachers and classrooms. There has been a real buzz around the school and it has been lovely to see the children noticing all the improvements that have happened around the school in the holidays. The new logo is fully in use and can be seen in lots of places.

Paper Newsletters

As explained last year we are going to be moving to a paperless newsletter in the next few weeks where we will be sending it via email. So that you can keep up to date with school news please make sure you have returned your Parentlite form which has your email address on for the newsletter and also contains important information about how we keep and update your contact details. This will ensure that you keep up to date with all the news from school. If you need another copy of this form there are some spares in the entrance hall for you to collect.

School Lunches

Over the summer we have changed the company that provide our school lunches. We are now working with a company called Love Food. There is now a choice for children to choose from daily for their lunches including a meat option, a vegetarian option, jacket potato or a packed lunch. Comments from the children this week have been very enthusiastic – the bars in the lunchbox were a great hit and I have never seen so many children eating their salad! If you haven't signed up for school lunches it's really simple. Just log onto your Parent Pay account and make your selection. If you are in Squirrels, Hedgehogs, Badgers or in receipt of Free School Meals then you must still log on so that you can select your child's lunch – you will not have to pay.

Class Dojo

We will be updating Class Dojo with information for you about the school and your child's class. Please remember that Class Dojo is for us to share information with you and if you wish you can make a comment. If you have any queries or questions regarding your child then please speak directly to the class teacher of the office. If it easier then please email the office. Class Dojo is not to be used as a formal communication between home and school.

Please log on to the Class Dojo App over the weekend to make sure you are receiving notifications from the school.

Have a lovely weekend and we'll see you back at school ready for a 9am start on Monday.

Best wishes

J. Exton
