

School News – Friday 15th March 2019

Comic Relief

Thank you for all your support for Comic Relief. We have raised £134 by coming to school in red and white.

Parking

You may have noticed some visitors outside school on Thursday afternoon. Rutland County Council are monitoring the parking that takes place around the school. There may well be further visits in the future as we work to find the safest solution for school and the local community.

Badgers Class

Badgers Class led a brilliant Collective Worship to parents on Thursday morning. They spoke confidently and clearly, showing great pride in their learning. Well done Badgers!

Sporting News from Mr Heyworth Gymnastic and Dodgeball

On Wednesday Leah, Millie and Oliver represented RUTLAND in the Leicester-Shire and Rutland Super Sport Gymnastics county finals at the Oakham Active Hub. The team had beaten teams from Rutland during an earlier competition. As would be expected the team faced stiff competition in the Vault, Floor and Body Management disciplines. However, the team overcame their nerves to finish 4th overall. The team should be congratulated on a magnificent result. Well done!

A busy sporting week concluded with the Rutland Schools' Dodgeball Competition which was held at the Uppingham School Sports Hall. Our teams comprised of: Anna, Amelia, Bella, Emily, Henry, Kelsie, Oscar, Rosa, Ryan and Sophie. Each team played four hard-fought matches and both were unlucky not to progress into the semi-finals. A particular highlight of the morning was the comment from another team manager that our teams were **'the most sporting and honest of all the teams in the competition.'** A comment like this is worth far more than any trophy and I am extremely proud that both teams can attract such positive comments – well done!
