### After School Club

Our After School Club continues to grow in popularity and recently the children have been very busy. How many hoops can you hula?

There are lots of activities for the children to choose from after school as well as quiet time and support to complete homework. Parents say, "It is all about the children" and "a perfect mix of activities."

If you require after school child care then please contact Andrea at Stepping Stones for further details and to book your place!

**Walk Wise Training** Badgers Class had a visitor on Wednesday afternoon. Miss Barnwell came to deliver

a Walk Wise training session on pedestrian safety. The children learnt about the different types of road crossings and hazards to be aware of when out and about. They also went outside and thought about how to be safe near car parks and the road.

**Foxes Class Out and About** Foxes Class went out walking around Belgrave Road and Queens Road. They were assessing whether rubbish was a problem in the area. In the future the children will be thinking of ways in which they can persuade people to recycle and dispose of their rubbish appropriately.
