### An Inspector Calls

This term Foxes and Rabbits have worked incredibly hard on their performance of “An Inspector Calls.” This comedy play was delivered confidently, with skilful comedy timing and amazing singing. Well done to each and every one of you!

The play was about school inspectors coming to inspect Uppingham C of E with things not quite going to plan! The children of the school write to the inspectors to tell them the amazing things about our school and below are some of comments that Foxes and Rabbits wrote about our fantastic school.

We learn from our mistakes and keep supporting each other.

Our teachers are brilliant because they plan inspiring lessons and stay up late planning them.

We really like it here and even though we're not all related, everyone feels like family.

We like to go to school because it's friendly.

We love C of E so much. If you are new it makes you feel very welcome.

Achieving Star of the Week is really rewarding because it shows how hard we have worked.

Our teachers are very kind and happy all of the time. They are so enthusiastic about lessons and they enjoy being with us and listen to what we have to say.

Our school is fantastic because we get to go on adventures, not only physical adventures but adventures in our learning.

**HAPPY  
EASTER**

Thank you to all the parents who joined us for our Easter Service on Thursday. The children led the service, sharing their learning from this term to retell the Easter story reminding us about why Easter is celebrated.

I wish you all a very Happy Easter. Enjoy the holidays relaxing, resting and creating memories. I look forward to seeing you all on Monday 29<sup>th</sup> April ready for another term of exciting learning.

### Healthy Snacks

As part of our PSHE curriculum we teach the children about healthy food and how food provides important fuel for our body. Please can you support this by ensuring that snacks sent in for playtime are healthy. Healthy snacks give children energy that will keep them going until lunchtime rather than a “treat” snack which can lead to a sugar rush and children running out of energy. Remember – no nuts please.

### Rock Steady Concert

On Tuesday morning we were wowed with performances from our Rock Steady Bands. Children have been learning different instruments in a group and the concert was a culmination of all their hard work. We were amazed by their performances of songs by the likes of George Ezra and Queen.

**REMEMBER TO BOOK YOUR LUNCHES FOR THE FIRST WEEK BACK!**
