

School News – Friday 27th September 2019

Warning Zone

On Tuesday Owls Class visited Warning Zone in Leicester. Warning Zone is split into eight different zones, including an e safety area, where the children can explore and develop their understanding of risk, safety and responsibility. There are some very important messages that the children hear that will help them to stay safe as they grow up.

Reflection Skills

Children in Foxes Class have enjoyed being “teachers” and looking at work from another class. They thought about what worked really well and how it could be even better, such important reflection skills to develop.

Shields and Coding

Over the past two weeks the children in Rabbits Class have been creating Roman Shields and developing their coding skills on the computers.

Morning Drop Off

Please can I remind you that families and children should not be arriving at school any earlier than 8.45am. This past week we have seen children being dropped off before this time. Parents are still responsible for their children until 9.00. We aim to have a member of staff out from 8.50 but they are there as a point of contact, not to be responsible for children.

Parents' Evenings

The folders are now out in the entrance hall for you to sign up for a Parents' Evening time. If you are not visiting school in the next few days then please phone or email the office and we can make an appointment for you.

These meetings are for you to have a chat with your child's class teacher about how they have settled into their new class this year. Appointments are 10 minutes long and we will try our very best to run to time.

FOS AGM

Thank you for those of you that have spotted that The Friends of the School Annual General Meeting on Tuesday 8th October is on the same night as Parents' Evening!

The AGM will still take place at 4pm in the library and refreshments will be available. The FOS will then be running a drop in, so please pop in a few minutes earlier for your appointment and have a chat. If you would like any further information you can email uppinghamcofefos@gmail.com

Have you returned your FSM form?

If not, please hand in to the office as soon as possible.
