

## School News – Friday 6<sup>th</sup> March 2020

### World Book Day

What an amazing day! We started with the staff leading a vocabulary parade in the hall and the children all enjoyed guessing what words were represented. It was lovely to see so many of you at our Open Afternoon where we all shared our books together in the hall. There was such a lovely atmosphere!

Thank you for all your support in helping the children get their costumes ready – they looked fabulous and prompted lots of discussion about our favourite books throughout the day.

### Sport Relief

'It's Game On!' on Friday 13<sup>th</sup> March the school will be supporting Sport Relief. All the children are invited to come to school in sports clothing – it may be dance wear, football strip or something more unusual. As part of the day we will be attempting to beat our 200 mile challenge.

Each child will walk, jog or run around our outdoor course and contribute towards our target of 1000 laps. Five laps make a mile, so a 1000 laps should get us to 200 miles. But! Last time we completed the challenge we managed 1270 laps – can we beat it this year? Parents, if you feel like getting the day off to a great start why not do a few laps yourselves! The course will be open to you between 9.00 – 9.30 am (the children will have gone into school so you will be able to race around the course). There is a serious side to Sport Relief and we hope to raise money to support the charity's activities; these include youth and community projects in this country and abroad. If you would like to donate a £1 (or more) classes will be taking a collection Friday.

### Bag 2 School Collection - 17<sup>th</sup> March

If you are having a spring clear out in the next week or so the next Bag 2 School collection will be on 17<sup>th</sup> March. Remember it all helps raise money for the school!

## Hedgehogs Class

Last Friday Tracey from Rutland vets came to visit Hedgehogs class as part of our 'Paws, Claws and Whiskers' topic. Tracey brought along her dog Dotty who we were able to stroke and hold on the lead. We asked Tracey lots of interesting questions to find out more about the work that she does at the vets. We were also able to dress up in some of the clothing that vets wear whilst they are at work and have a go at putting some real bandages on.
