Headteacher: Mrs J Exton

Thursday 19th March 2020

Dear Parents,

From 3.35 pm on Friday Uppingham C of E Primary School will be closed. We will be open from Monday as a childcare provision to support Key Worker families and vulnerable children. Thank you to all the parents who have got in touch with us today and all your kind words. Thank you also to those parents that have lots of questions but have given us the time and space to respond to these events.

As I write, the Government have still not published their list of Key Workers. Hopefully this will come out soon and allow us to finalise our plans. As it stands at the moment childcare will run from 9.00 am – 3.30 pm and will be staffed on a rota basis by our teachers and teaching assistants with the support of staff from Stepping Stones. Further information about this provision will be sent out tomorrow.

Home Learning Packs will be coming home on Friday, including further information about how these will work. If your child/ren are not at school on Friday we will make alternative arrangements for you to collect your pack next week.

Everyone in school today has been amazing, all the children and every single member of staff. We have made lots of plans to support our local community and tomorrow we will hopefully receive the necessary information from the Government to enable us to finalise these.

I wish you all the very best and I will write again tomorrow.

Best wishes

J. Exton
