Friday 11th September 2020

Dear Parents,

Another brilliant week at school. The routines are all up and running and the children know what to do when! They are great at queuing when needed and staying in their zone on the playground. Handwashing is very thorough and we are certainly using a lot of paper towels!

Squirrel Class stayed for lunch

Squirrels class continue to settle into school life and have been enjoying lunchtime in the hall. They are making lots of new friends and becoming confident in exploring their new classroom. Well done Squirrels!

One way system

The one way system continues to work well but we just need to make one tweak – if you are queuing to pick up Robins Class at the end of the day please queue by the window and down the step outside the office to ease the congestion that can build up. Also remember that everyone is in the queue and should wait for the people in front to move round, please do not be tempted to queue jump if you are going to Squirrels or Hedgehogs class.

Have a lovely weekend and remember sun cream for next week – the forecast is hot and sunny!

Best wishes

J. Exton
